Ref. 206

Sizes 35-46
(European Sizes)

Plantilla conformada para el calzado deportivo. Evita deslizamientos del pie a la vez que amortigua saltos. Fabricada con un rizo de primera calidad y una base de polietileno con espuma de látex.

Insole made for sport shoes. It avoids foot slippage and at the same time cushions bumps. Manufacture with prime quality toweling and a polyethylene base with latex foam.

Ref. 211

Sizes 35-46
(European Sizes)

Plantilla anatómica indicada para personas con pies cansados y doloridos, que pasen muchas horas de pie o realicen largas caminatas. Recomendada para el deporte. Plantilla formada por dos superficies: rizo de primera calidad y filtro de carbón activado o yute natural, que absorbe el sudor y elimina el mal olor.

Anatomical insole which is recommended for people with tired and aching feet, and for those who have to stand or walk for long periods of time. Recommended to do sport. This insole is formed by two surfaces: first class ruffle and activated carbon filter or natural jute, which absorbs sweat and eliminates odours.

Ref. 229

Sizes 35-46
(European Sizes)

Plantilla anatómica y deportiva indicada para personas con pies cansados y doloridos, que pasen muchas horas de pie y realicen largas caminatas. Posee dos puntos de apoyo, arco plantar y talonera, gracias a los cuales el peso del cuerpo se reparte en cada una de estas zonas, consiguiendo retrasar los primeros síntomas de cansancio. El alivio se manifiesta de manera inmediata en la zona central de la planta del pie proporcionando una gran sensación de confort y bienestar. Gracias a su exclusiva capa de carbón activo protege contra olores desagradables y su material exterior con respiración activa proporciona una agradable sensación de tener los pies secos.

Anatomic and sport insole recommended to those with tired and hurting feet who spend a lot of time standing up or walking for long periods of time. It provides two points of support, sole arch and heel release in order to divide the body weight into these different parts, thus postponing the first symptoms of tiredness. The relief is immediate in the centre of the sole of the foot providing a great sensation of comfort and well-being. Its exclusive layer of activated coal acting against disgusting odours, together with its exterior material for a more easily perspiration, helps to provide a pleasant feeling of dried feet.
